The Raptor® Difference

Raptor Technologies® is the nation's leading provider of integrated school safety technologies and is trusted to protect over 26,000 K-12 schools nationwide.

Why choose the Raptor system?

VISITOR MANAGEMENT

The Raptor Visitor Management system instantly screens all visitors, volunteers, and contractors against the sex offender registries in all 50 states as well as custom databases set by each school, which can contain custody alerts and/or banned visitors.

VOLUNTEER MANAGEMENT

The Raptor Volunteer Management system streamlines the process so that volunteers can apply and be easily tracked, screened and scheduled, and reports can be accessed—all in one place.

EMERGENCY MANAGEMENT

The Raptor Emergency Management system combines proven practices with 21st century technology to provide your district with a comprehensive solution that includes drill management, active incident management, and parent-student reunification.

IMPLEMENTATION, TRAINING, & SUPPORT

The Raptor Customer Support Team consistently receives top ratings for customer service. The team will advise you on proven practices and protocols, walk you through implementation, and assist with staff training plans.
